Elevating Resilience!

Region 10 PIHP

Women's Recovery Conference

Thursday, August 8, 2024

8:00 am to 4:00 pm

An in-person event at the
Riverfront Banquet Center
1 Riverfront Plaza
Flint, Michigan 48502

The Annual Women's Recovery Conference will feature inspiring speakers, informative workshops, and innovative ideas supporting substance use disorder recovery for women.

Topics will include advocacy, resiliency, human trafficking, complementary and alternative interventions supporting recovery, Neonatal Abstinence Syndrome, gambling and gaming, and more supports for healthy choices for recovery.

This is an in-person event intended for women currently in treatment, those in recovery seeking more information about a recovery lifestyle, and professionals in the field of substance use disorder recovery services.
